

For over 40 years, Linda K. Crandall, the founder of **Crandall Corporate Dietitians** (consultingrd.com), loved working as a Registered Dietitian. Whether it was the challenge of creating world-class systems, meeting new people across the country, building-up others who worked for her or around her, or being a female entrepreneur, Linda found tremendous reward in coming to work each day. Her greatest professional happiness came from working with the best dietitians in the industry.

In honor of her dedication to the RD profession, we are pleased to announce the establishment of the Linda K. Crandall scholarship program. Each year, Crandall Corporate Dietitians will award up to five scholarships, ranging in value from \$500 - \$1,000 each, to students pursuing either a Bachelor or Masters degree in Nutrition, or a closely related field, with the eventual goal of becoming a Registered Dietitian.

Preference is given to current Crandall employees / subcontractors or their children, after which, the remaining scholarships are open to any student at an accredited U.S. college or university.

Applicants must complete the following application, submit a current resume and meet eligibility requirements below. **Applications must be submitted by June 30, 2012.** Late entries will not be accepted. Notification of awards will be made by August 31, 2012.
